

Little wishes

I wish my loved ones should never leave and go
I wish my childhood days are back again
I wish those days of care free life when I could go about
cycling on the streets, play hide and seek, run with friends.

I wish I can fly like a bird and jump like a squirrel

I wish not to become old, I wish to be in a primary high
school girls always, I want to be young, immature with a pure
heart without bad inhibitions and thoughts. I wish dead ones
should come back alive and they should join their family and
be happy

I wish that there is life on sun
I wish to see the pyramids of Egypt.
I wish to see the devil one time,

I wish to be a managing Director of Montesantos
I want a Mercedes Benz
I wish to have an Hyundai
I wish to be a millionaire with a black magic queen

I wish to be higher by few inches but I know it is not possible.
I wish to have sex but I cannot not have it
I wish to love some body for the rest of my life

I wish to change the busy life of my papa because he never
spend more time with me.
I wish to love my parents all throughout my life because they
love me a lot.

I wish to love a girl caring my parents more than me, a person who touches my heart just like that.

I wish to go on a world tour

I wish to be slim

I wish to be bold

I wish to change my size. I am very fat

I wish not to be a burden for the other

I wish to live a life of Eskimo for at least a fortnight

I wish no to be afraid anymore, to drive a car and swim in the sea.

I wish a world free of corruption and violence

I want to fly in a plane

I wish to be doctor by profession

I wish to have a Hayabusa (superbike) for my self

I wish to have a wife

I wish to change the attitude of people towards marriage, and the way they treat class people and I want to change it now.

I wish to be a pilot

affection towards me.
I wish to be an all-rounder.

I am a man. I wish to be a woman.

I wish to go on to do sex work to earn money. And go on to
like my work.
I wish the society don't treats us like animals.
I wish it should be love at night.
I wish to take care of my skin and hair and to change my
voice, my expression, the way I walk, and the way I behave
I wish to be independent and happy without being afraid of
darkness in the night.
I want to love a man who doesn't hurt me
I wish to be a woman and have a husband.

I want “love.”

I wish to marry a man who is homosexual,

I wish to love men who are handsome.

I wish to love all men that I like

I wish the society would leave us freely to have sex,

I wish my loved one should share my happiness, sorrow, and difficulties.

I wish day should not be there. Only night should be there.

I wish as soon as the parents come to know about my homosexuality, they should not send me away from their home. Instead, they should look after me affectionately.

I wish to change everything

I wish to love everybody. God and also my father, my mother, my elder sister, and my younger brothers.

I wish to give my heart and mind to the person whom I love.

The whole life, I wish I will be with him.

I wish that people and society don't discriminate me because I changed my sex.

I wish to built a big Hamam for the transsexuals

I wish that, in the future, whatever I want to happen, that should happen.

I wish to go on to do sex work to earn money. And go on to like my work.

I wish to have castration in ten years and I want to have sex change fully.

I wish to love a person who is fat and tall.

I wish to adopt an orphan and I wish to make his future bright..

I would like that marriage can be made with a boy and a boy and also with a girl and a girl.

I wish to get jobs to all the poor people.
I wish to become a singer
I wish to love many people
I wish a man loves me
I wish to convert Bangalore to Singapore

I wish to be happy always

I wish to stop robbing and telling lies
I wish not get angry on others and I would like to be calm.
I wish to like the future as it comes.
I wish that there are no rules and regulations for love.
I wish that my dream becomes true .
I wish peace of mind.
I wish peace of mind.
I wish peace of mind.

I wish as a citizen of India, to be respected, to have rights, and to be considered as a human being
